

2023

HI!

We are your AUB Community Champions.

We are always on hand to guide you with any queries - helped by our own personal experiences as students - and are confident that you will thrive academically, socially and personally during your time with us.

All our team members are easily recognisable by our warm smiles and blue AUB Champions t-shirts & hoodies.

Throughout the year we organise all sorts of inclusive events from crafting, drawing and skills based workshops, to book clubs, mocktails & cocktails evenings, beach walks, plant care and much much more!

So we look forward to you joining us, to connect with your fellow students, explore and develop interests and share new skills. Let's make this year everything you want it to be.

See you soon!

What's going on?

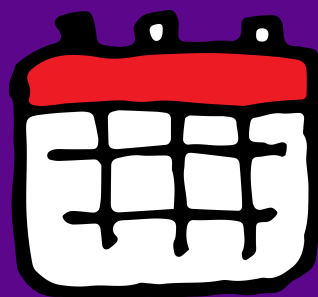

We know it will be overwhelming when you first arrive. So much information you think you'll forget it all!

Don't worry!

Every room has a checklist reminding you of the important stuff to find out in the first 2 weeks. Follow that and you can't go wrong.

Every Kitchen has a notice of the main things to know about sharing space with others and top tips on how to make a success of it.

We will be holding lots of different events during your first week, to help you settle - check out the calendar of events in your room!

Essential items for Halls:

Here are our top tips for things you really need to have in your room...

Every room should have a plant. They create a peaceful vibe & even help us sleep.

Great news! We run lots of GREEN activities throughout the year, so you'll have lots of chances to find the right plant just for you.

There's a plant stand at Welcome Fest too!

Something comforting from home –this could be your teddy bear, favourite slippers, some decorations, a nice throw or a couple of cushions.

Books & comics, journals & sketch pads... who doesn't love to disappear into a story or get lost in our own doodles?!

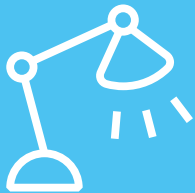

Top Tip: AUB Community has a book club you can join - includes audio books too!

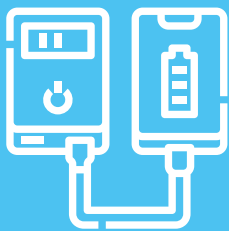

A feather duster - trust us, it's a game changer!

A desk or floor fan ... it's nice to get the cool air circulating.

An extra lamp for your desk or bedside table

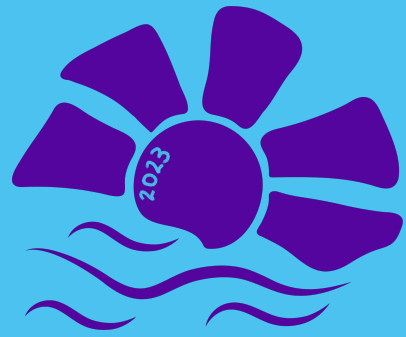

Bring your device chargers. If you are an international student, make sure to bring plug adaptors as well.

Top Tip: You can get all electrical items PAT Tested at Campus Halls and Madeira Road Halls.

Do NOT bring extension leads.

Browse the beautiful market stalls from a multitude of local artists, including LUSH, Lauren Marina and Knots by Freckles to name a few, they will be sharing their creations with you, so maybe buy a treat or two, and perhaps finding some inspiration of your own.

Squidge and Pop will entertain with their giant bubbles, as will local band Barefoot Soul, who keep spirits high and always liven the atmosphere with their music. All this whilst nibbling on tasty delights from L'Arte, Dorset Poffertjes and more!

For a moment of calm amongst the crowds, take part in guided meditation and reflective thinking workshops, or try a free massage and feel the peace within.

So come and join us for the fun... we look forward to seeing you there!
