The show must go on

10-29 May 2021

Arts University  
Bournemouth's AUB  
FESTIVAL is bringing  
final year Acting  
and Creative Events  
Management students'  
work to your screens!

Students are taking the limitations caused by the pandemic and turning them into an opportunity, exploring the possibilities of online events. You can take part in these experiences from the comfort of your own home, ranging from theatre pieces to an art showcase inspired by a dystopian future.
