BRITISH CREATIVE ARTS

SUMMER 2016

2 and 3 week courses for select schools

- ▶ Develop a creative arts portfolio
- ▶ Learn about British Culture
- ▶ Take part in practical arts workshops and improve your skills
- ▶ Experience life in one of the UK's leading arts universities

A practical creative arts programme with an emphasis on the UK Art and Design industry. This course is designed specifically for schools who would like to develop students' creative thinking and improve their practical skills as well as learn about British Arts and Culture. For students who are considering studying at a British university, this course will give a great insight into university life in the UK.

The course includes a combination of practical studio work, tutor-led demonstrations and study visits to UK museums, galleries and places of cultural interest.

WORKSHOP SESSIONS

- ▶ Introduction to Art, Design and Media
- ▶ Life Drawing, Painting and Illustration
- ▶ Arts Portfolio Development
- ▶ Photography & Film
- ▶ Print Making
- ▶ Visual Communication and Graphic Design
- ▶ 3D Design and Model Making

Workshops and lectures will be led by the university's specialist teaching staff and technicians with classes held in AUB's studios, workshops and teaching rooms on campus. Students will be introduced to a wide variety of media, processes and techniques but will be encouraged to develop their own creative ideas and concepts.

A series of cultural visits and educational trips will be organised to give students an experience of British Culture and Arts, including visits to iconic British places and museums.

Students will leave the course with a portfolio of work achieved across the range of art and design disciplines to take with them and to use for future university applications, as well as an Arts University Certificate of Attendance.
