

CREATIVE BRANDING & MARKETING

Autumn Term: Saturday 11th, 18th & 25th November, 2nd & 9th December 2017

Spring Term: Saturday 20th January, 3rd & 17th February, 3rd & 17th March 2018

Course Tutor: Daniel Butler

Course Overview

This course will help you understand how brands are built, managed and communicated from a creative point of view. You will be introduced to creative branding, brand integration & branded marketing in its various forms. The importance of creativity in branding will be explored and you will gain an understanding of how to communicate and understand brands from a visual perspective.

During this introductory course in creative branding and marketing, your tutor, Daniel Butler, will demonstrate real Case Studies where you will explore how Brand Identity works alongside Target Marketing and Marketing Campaigns.

This practical course will introduce you to innovative brand marketing campaigns, allowing you a good foundation in creating, managing and marketing a brand.

You will have the option to choose to create your own Personal branding campaign, Project branding or Corporate branding assignment and will develop ideas and proposals for integrated marketing communications.

The Course Includes

- Understanding how to design effective and visually appealing logos, corporate colour schemes, conceptualize images for print and web publication
- Exploring website design, website creation frameworks, social media marketing, design flyers, business cards and posters
- Demographics & Psychographics, Target Marketing, Customer profiling and acquisition
- Advertising, Promotion and Brand-
- Community Growth and Development

Course Aims

- Provide the theory behind cohesive and consistent, effective branding and marketing.
- Enable the conceptualization of effective brands and marketing-mix campaigns.
- Enhance the creation process and existing brands and marketing-mixes efficacy.
- Develop a holistic approach to a brand and its communicable characteristics.
- Create Brands that work for their Target Market.
