What if I have a Student Loans Company (SLC) loan?

- SLC support includes loans to cover the cost of tuition fees, as well as maintenance loans to contribute towards living costs whilst at University.
- For undergraduate students who have arranged an SLC loan to cover the cost of tuition fees, the SLC will pay the loan directly to AUB.
- For undergraduate students, all other SLC maintenance loans will be paid directly to the student.
- For undergraduate students, any other fees due to the University will need to be paid directly by the student.
- For Masters/PG Research students, the SLC loan is paid directly to the student. The student must then ensure that all outstanding fees levied by the University are paid.
- For further information about SLC support and for details on how to apply please visit <http://www.slc.co.uk>

What other fees may I have to pay?

- Educational trips
 - Course Leaders will advise their students of any trips that take place during the year. All costs will be confirmed by Course Leaders directly.

Autumn term (1 week completed)	25%	33%	33%	33%
