

SUMMER COURSE: OVERVIEW

INTERIOR ARCHITECTURE & DESIGN

aub.ac.uk/suid

Through practical projects and tutorials, you will develop an understanding of the design process and the importance of an ideas-based approach, enhancing your awareness of key aspects of interior architecture and design. Developing your own ideas through initial sketches, inspiration sessions, mood boards, research and analysis, you will study existing interior spaces, the function of a space and learn how to draw to scale.

WEEK ONE

INTRODUCTION TO INTERIOR DESIGN

OBSERVATIONAL DRAWING

TECHNICAL DRAWING

DESIGN PROJECT

DESIGN PROJECT - SHOW & TELL

At the start of the course you will consider key aspects of interior design including colour, space planning, fabrics, materials, furniture, recycling, upcycling and sustainable design. You will take part in a number of practical drawing sessions designed to enhance your existing skills as well as introduce you to different sketching methods including using pencil, pen, charcoal, inks and water colours.

WEEK TWO

RESEARCH & MOOD BOARDS

FURNITURE DESIGN

LONDON TRIP - THE GEFFRYE MUSEUM

DESIGN PROJECT

DESIGN PROJECT - SHOW & TELL

You will be introduced to ergonomics and explore style, material and iconic chairs through the ages during research and analysis sessions. From your research you will begin to design a piece of furniture, creating a model version in a 'maquette making' workshop before moving on to create a full scale model from cardboard.

WEEK THREE

KINGSTON LACY

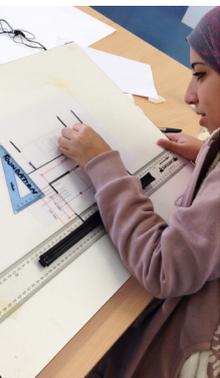

PRINT MAKING 1

PRINT MAKING 2

PORTFOLIO WORKSHOP

EXHIBITION OF WORK & CERTIFICATE

Several practical print making sessions will enhance your knowledge and technical understanding of the print process in interior design and architecture. You will design a pattern for wallpaper or soft furnishings and explore textiles techniques. Your work and designs will be printed and collated to exhibit at the end of the course, with group discussions on the design processes undertaken and the finished pieces.

“ This summer course was really valuable for me - it is the exact field I now want to study at AUB ”
