

How far will you go with our creative prospectus?

Explore your creativity with our International Competition

We're creative specialists. Everything we do has to have a creative edge. And that includes our creative prospectus. We've designed it to give you a flavour of life at the Arts University College at Bournemouth (AUCB).

The International team at the AUCB are asking for creative students, aged 16 - 19 years old, to showcase their talents in an exciting new competition that features our new prospectus.

What will you make of it, where will you put it..

Show us how creative you can be by slotting the cards together to make a construction then take a unique photograph of it in an interesting place. This could be in front of a famous building, a landmark, or somewhere that says something about your culture. The winning image will be one that showcases your photography skills and places the prospectus in a unique location.

Please note that the former Arts University College at Bournemouth (AUCB) became the **Arts University Bournemouth (AUB)** on 13th December 2012.

All references in this document to AUCB, the University College or the Arts University College should be taken to refer to AUB, the University or the Arts University.
