- A serious team player & up for a challenge
- A natural, confident & friendly communicator
- Highly organised with a good sense of planning & excellent attention to detail
- Be able to work on one's own initiative
- Resourceful & commercially astute
- Someone that does the right thing at all times.
- Proficient in: Photoshop, Powerpoint & room planning software

what would i be doing?

- Interpret customer briefs & translate them into cohesive design solutions
- Professionally liaise with customers in a friendly manner, via our online platform and phone calls
- Create 2d room plans and visuals
- Present design ideas effectively to the customer
- Source products to complete room designs & creating customers moodboards using our online system
- Follow up with customers to ensure complete design satisfaction
- Work with founders & product team to continually improve customer experience & platform
- Create handy guides for the design community
- Add products to our database and check pricing
- Support the head office design team with various design related tasks

does this sound like you?

If so, we would love to hear from you.
