

## Letter from your Parent(s)

If you are going to be financially supported by your parents you must provide your Birth Certificate (with a professional translation in English) and a letter from them. This letter must be in English or if not, it must be accompanied by a professional English translation.

The letter should confirm the following:

- their name
- the relationship between you and them
- the amount of money available (this should be the same as on their bank statement)
- that they give their consent to the money being used for your education in the UK.

You will also need to include their **original** bank statements from last month as evidence that the money promised is really available.

Below is an example of a sponsor letter. Parents can use this letter to create their own by filling in the blanks in *italics*:
