

Staff Induction

All staff are required to undertake an Induction Profile as part of their induction process.

This covers a presentation from the various business areas throughout the University.

This is a compulsory exercise with confirmation administered by Human Resources.

Subjects covered include:

- Context
- Increasing rates of change in human activity since the beginning of the Industrial Revolution
- Legislation
- Policy
- AUB Introduction to environment and sustainability
- Science-Based Target
- What we are doing now and next
- Further influence
- Environment webpages
- AUB academic and technician demonstrator projects
- Awareness and engagement
- Community

What are we doing now and next?

– PPA electric contract to compliment REGO

– Digital services moving 15% of server capacity to cloud

– New 'Travel to AUB' online system

– Electrify the AUB vehicle fleet
