

ARTS UNIVERSITY BOURNEMOUTH

ENVIRONMENT COMMITTEE

Terms of reference, constitution, and membership 2022/23

Purpose

The purpose of Environment Committee is to monitor and promote sustainability in all its aspects by identifying, raising awareness of and championing good practice in environmental management and the use of non-renewable resources, and make recommendations to the Management Group and relevant committees and boards.

The constitution is confirmed each September/October in the first committee meeting of the academic year.
