MAKE-UP /SFX KIT ORDER FORM

Arts University Bournemouth has chosen TILT Professional Makeup as the provider of your MAKE-UP/SFX KIT (see page 2).

We are pleased to inform you that with every kit purchased, students will receive a 10% discount.

Total after discount will be £683.30 (£759.23 before discount).

All Kits will be shipped FREE of charge to the college address.

Please fill in the order form fields below, in CAPITAL LETTERS and send it by post to:

TILT Professional Makeup Ltd, 21 Ferdinand Street, London, NW1 8EU

Alternatively, you can email us a photo of this form to info@tiltmakeup.com - The photos should show the entire form (one photo per page, with both pages signed) and be in a good enough resolution that allows accurate reading. Make sure to use the email subject 'AUB KIT 2021 - 2022 - YOUR NAME' when emailing us. Due to the sensitive nature of the data*1 in this form you will receive a separate email from TILT Professional Makeup acknowledging receipt of the form and the original email sent by you will be deleted with only our paper print-out kept as a record for a limited time. We strongly advise you to also delete the email you sent us, so no record of this card information is kept in your email address.

-You ALWAYS have to send us the form BUT if you feel uncomfortable sharing the card details in it, we can take payment directly over the phone AFTER we have received the filled-in and signed form. We will call you back to receive payment over the phone in the next 48 hours following reception of the form (on working days and during normal business hours only). In the card detail fields we will need the signature of the cardholder even though all the other fields are left blank. Payment over the phone has the card details entered directly into the PDQ machine and no record is made of them on any format.

The deadline for submission of this form AND successful completion of payment is the 13th of August 2021. After this date orders will likely be subject to substantial delays and won't be with you at the start of your academic year. Furthermore, one-off items included in the kit that are not part of our catalogue or are difficult to source may not be available if you place your order after the deadline.
