Creative Careers Resources

Year 13

Although Year 13 students may not be taking exams this Summer it is still important that they maintain a good level of knowledge on the subject they will be studying in September 2020.

Here are some useful links where students can do some wider reading around the degree course subject of interest:

Year 12

As the application process for 2021 applications opens on 19 May here are some useful resources for students wanting to study a creative degree and to help support them with writing their UCAS personal statements and general HE course research:

– **[Creative Mornings](#)**

Online directory of creative individuals and their companies including virtual lectures, coffee mornings, blogs and podcasts

– **[Discover! Creative Careers](#)**

An explorable directory which brings together creative careers information and opportunities

– **[Causeway Education](#)**

Personal Statement wider reading

– **[FutureLearnSchools](#)**

Online educational courses

– **[Speakers for Schools](#)**

Virtual work experience and voluntary work

– **[Virtual Tours](#)**

Visit virtual galleries and museums

– **[Home Learning Project](#)**
