

FILM MAKING

GAIN HANDS-ON EXPERIENCE WRITING,
FILMING AND EDITING YOUR OWN MATERIAL

3 WEEKS

8th – 26th July 2013

Written for potential filmmakers with little or no film making experience, this course is an ideal introduction into the fundamentals of filmmaking.

Using industry standard cameras and specialist equipment, you will develop a working knowledge of the lighting, gripping and sound recording equipment used by professionals.

A series of practical workshops, tutor-led demonstrations and projects will cover essential aspects of film-making including storyboard and script development, directing and camera work, locations, props and how to light a scene for dramatic effect.

Our experienced tutors will lead you through the process of editing; giving you the chance to develop an understanding of the importance of editing, increase your film language vocabulary, explore cutting styles, continuity editing parameters and editing to music.

There will be the opportunity to put your knowledge and skills into practice through a series of filming sessions on location.

COURSE FEE: £1390

*Accommodation available on campus
for an additional £120.00 per week*
