

Dear Student,

Congratulations on being offered your place at The Arts University Bournemouth!

AUB have given us the pleasure of providing you with part of your make-up kit. At UKMUA we firmly believe that your kit is an asset and should still be useable once you qualify. With this in mind, we have put together a kit which will suit your course requirements and provide you with a good starting point for your career as a make-up artist. A good kit is essential so look after it and it will look after you!

Please take a look at the attached order form and once we receive payment, we will deliver your kit to the college on a date specified by your tutor. To ensure your kit is delivered on that day, please place and pay for your order before the 4th September 2017. Orders placed after this date will incur a postage charge and will be delivered to your private address.

We hope you enjoy your course and we look forward to meeting you at some point!
