We've worked together with the students union and more bus to give you the very best value for money and a bus service that is tailored to your needs. Unibus is the official bus service for BU and AUB. There are many advantages to these dedicated services and the highlights are:

An annual pass gives you all the dedicated UNIBUS services and the entire more bus **zone A** network.

U1 a very high frequency service between the Lansdowne and Talbot Campus as well as being the most direct and quickest link available.

The **UNIBUS** services are tailored to have suitable capacity to the specific flows of students and staff.

From September there will be new links on new morebus **route 17** between Talbot Campus, Winton and Bournemouth Station that complement the BU network.

Additional journeys to Bournemouth Square, on new morebus **route 17** from Talbot Campus and Winton that complement route U4.

**New** links, on new morebus **route 17** between both Talbot and Lansdowne Campuses and locations to the west such as Wallisdown, Rossmore, Newtown and Poole.

New weekend, early morning and late evening journeys on new morebus route 17.

A new improved frequency on the **U1** vacation service from 25 July 2016.

U2 is the fastest and most direct service to Poole.

The highest frequency service between Poole, Bournemouth and the Lansdowne on routes m1/m2 | every 3-4 minutes.

A half-hourly night bus service between Poole, Bournemouth and the Lansdowne throughout the week | except Sundays

Multi-trip tickets on the key for **just £1 a trip!**

We almost forgot! Brand new buses with **FREE WIFI and USB charging points**

A dedicated team of friendly drivers!
