

WORD WORD WORD

A note from the editor

The nights are drawing in and many of us are wanting to hibernate...yes it's time to get tucked up with a warm blanket, fluffy socks and a good book or movie. Sometimes we need to give ourselves a break and RELAX!

It's been a very busy term, with loads happening on courses and in halls. If you are feeling a bit wobbly, don't worry! Your Wellbeing Team are still here until **Friday 13 December** on campus and online until **Friday 20 December**... so why not speak to a member of our Wellbeing team, they are always happy to help.

NOVEMBER RECAP

Madeira Road opened its gallery in the Common Room under sparkly lights, and with a glass of fizz in hand, we were treated to an exhibition of thought-provoking art by four very talented AUB artists - **Please do go and check it out!**

Artists exhibiting:
Bima, Fritz Francis, Zayd & Josie

Home Park hosted The Reptile Academy - with snakes, iguanas, newts and more.. the event was well attended and we found, in the words of David Attenborough, that the reptiles were *"spectacularly beautiful, surprisingly affectionate"*.

Campus Halls has been alive with the sounds of the racetrack as the MarioKart competition continues a pace - who will be the winner?!
